

## The power of Tableau Reports: Coming to your desktop!

Meet Springbrook's New Reporting and Analytics powered by Exclusive Webinar Reveal Monday, September 21, 2020 1:00 PM ET Springbrook is investing in the detailed reporting and analytics capabilities that represent core needs for every local government agency with the introduction of Tableau! We're bringing the industry leading reporting software to your Agency's desktop to enable fast, customized, easy to develop and interpret visualizations supporting virtually any local government data reporting need. Tableau's software will provide Springbrook's community with a host of important advantages that collectively deliver a comprehensive interactive view of programs, budgets and high-level trends across the entire Agency. And best of all, it comes free of charge for all Springbrook Cloud customers and KVS Cloud customers.

**[CLICK HERE TO ACCESS THE RECORDED WEBINAR](#)**

KVS Cloud is the new cloud financial platform you've been waiting for...all the power of the cloud in an interface that you'll instantly recognize, ready to go to work for your Agency.

Webinar: This is your personal invitation to our exclusive 2020 webinar review of the highly anticipated new KVS Cloud platform: September 24, 2020 at 1:00 PM ET.

Springbrook's Chief Strategy Officer, Rick Hajjar, will provide a detailed update on continued product investments focused on the success of our KVS and SoftRight customers. He'll update attendees on Springbrook's KVS product development progress and updated release schedule.

Live demo: We'll walk you through a feature rich demonstration of the new financial platform upgrades that will be available in 2021 and give you a sneak peak at Springbrook's new analytics capabilities utilizing Tableau, the industry's leading reporting and analytics tool. The new Analytics and reporting will be powered by Tableau and available to all KVS Cloud customers at no charge, mid 2021.

## SNUG News

**A fond farewell to one of SNUG's best!**

Join us in congratulating Hubert Wenzel, SNUG's Vice President, on his new adventure in Germany! Hubert is leaving Vera Water and Power this month to relocate his family in Germany where he has accepted a job. Hubert has been instrumental with coordinating the SNUG Washington User Groups and the 2019 and 2020 SNUG User Conference. Although he will be missed, we are excited for his new adventure.

### SNUG Board of Directors Volunteers Needed

Are you ready to do more with your SNUG membership? If so, please consider joining the SNUG Board of Directors. Contact Stacey Barrett, SNUG Association Manager, at [sbarrett@springbookusergroup.org](mailto:sbarrett@springbookusergroup.org) for details.
