

Payroll Suite

Powerful, flexible and easy to use for your staff and employees.

Additional Payroll Functions

HUMAN RESOURCES – Track and manage everything from promotions to certifications to disciplinary actions. Our flexible, code-based system enables automated effective dates to easily set and track the things that matter most.

- COLA and pay adjustments
- Electronic personnel action forms
- FMLA tracking
- Training and certification
- Online Open Enrollment
- Online Applicant Tracking

EMPLOYEE SELF-SERVICE – Online Employee Selfservice lets your employees view and manage their own information, empowering them and saving you time and hassle. Rock solid security and approval workflows enable safe and smooth execution.

- Timecard entry
- Time off requests
- Online check stubs and W2s
- Easy access for employees' records
- Deduction, benefit and accrual revisions
- Electronic approvals of timesheets and PTO
- State and Federal reporting
- Automate your complex FLSA
- Retro Pay

The Springbrook Payroll Suite is a comprehensive solution proven over tens of thousands of municipal payroll cycles and millions of payroll checks. "

Flexibility to handle any deduction, benefit or payroll scenario...even complex FLSA for public safety.

Integrated human resources capabilities that provides full personal histories at a glance.

Online employee self-service saves you time and gives employees access 24 hours a day.

Built-in workflow and approvals ensure best practices are followed, while reducing the tedium of repetitive tasks like approving timecards.
